WARRANT/OTTIC SERVED

OKALOOSA CO SHERIFF'S OFFICE

REPORT NO: OCSO14ARR009013

Niceville, Okaloosa County Florida.

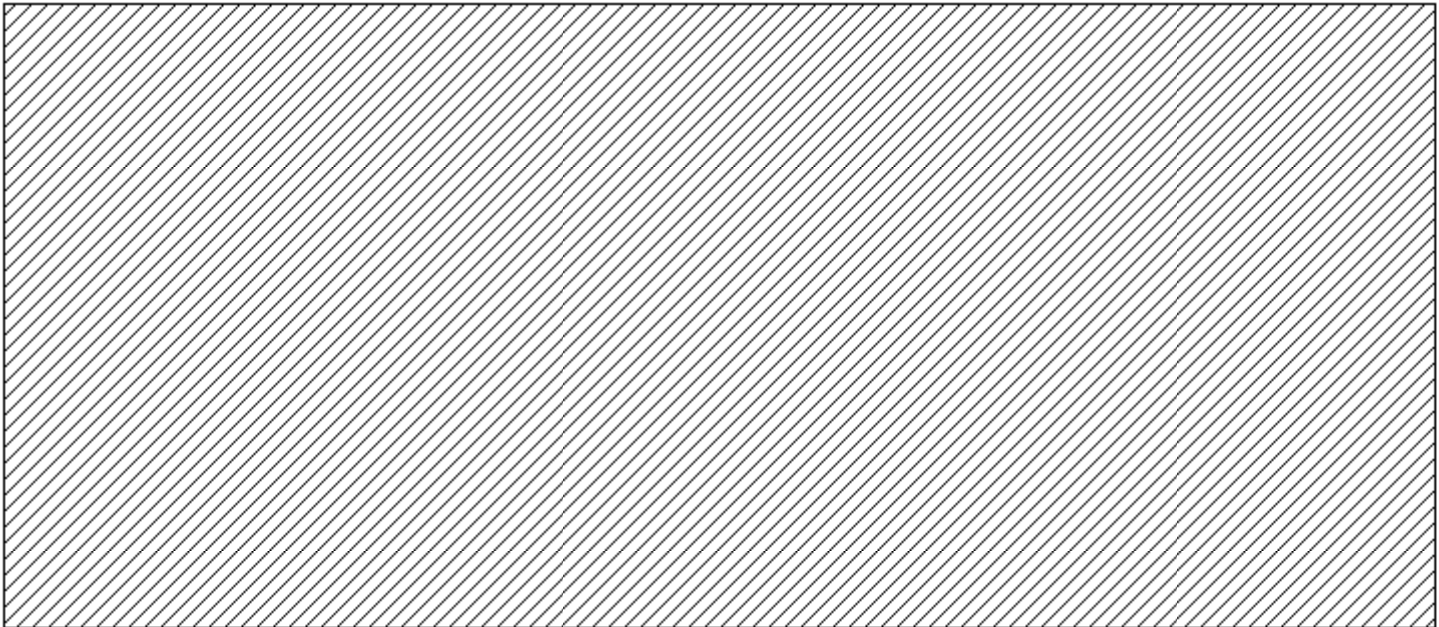

During the execution of the search warrant Jonathan Bryant was interviewed. During Bryant's Post Miranda interview he admitted to using BitTorrent (Peer to Peer) to obtain his pornography. J. Bryant also admitted to using the search term of PTHC to look for his pornography. J. Bryant was asked what PTHC stood for and he admitted he knew PTHC stood for PRE-TEEN HARD CORE. J. Bryant was asked what types of images were obtained when he searched for PTHC. J. Bryant admitted PTHC file could obtain any type of sexual act from pictures of girls posing to full video. J. Bryant also admitted some of those files had children performing sexual acts.

On 8/19/2014 I viewed the all the Digital Forensic Repots from Digital Forensic Examiner (DFE) KC Campbell.

There were 729 videos discovered on the hard drive of the Dell Inspiron 1525 Laptop Computer discovered in Room H. Of those 729 videos, based on my training and knowledge I believe 80 of these videos depict sexual acts being performed by children. The age ranges in these videos vary from toddlers to pre-teens. The children in these videos are engaging in sexual acts including oral, vaginal, anal penetration, bondage and bestiality.

Below is a description of some of the files the Dell Inspiron 1525 Laptop Computer discovered in Room H had on it hard drive:

DESCRIPTION:

Based on the aforementioned information I have reason to believe and do believe Jonathon Arn Brynat violated F.S.S. 827.071(5) possession of child pornography. This incident occurred in Okaloosa County, Florida where your Affiant is a sworn Law Enforcement Officer.
